JURISDICTION

3. This Accusation is brought before the Board of Pharmacy (Board), Department of Consumer Affairs, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

4. Section 118, subdivision (b), of the Code provides that the suspension, expiration, surrender, or cancellation of a license shall not deprive the Board of jurisdiction to proceed with a disciplinary action during the period within which the license may be renewed, restored, reissued or reinstated.

5. Section 4300 of the Code states, in pertinent part:

(a) Every license issued may be suspended or revoked.

(b) The board shall discipline the holder of any license issued by the board, whose default has been entered or whose case has been heard by the board and found guilty, by any of the following methods:

(1) Suspending judgment.

(2) Placing him or her upon probation.

(3) Suspending his or her right to practice for a period not exceeding one year.

(4) Revoking his or her license.

(5) Taking any other action in relation to disciplining him or her as the board in its discretion may deem proper.

(c) The board may refuse a license to any applicant guilty of unprofessional conduct.

6. Section 4301 of the Code states, in pertinent part:

The board shall take action against any holder of a license who is guilty of unprofessional conduct or whose license has been procured by fraud or misrepresentation or issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the following:

....

(f) The commission of any act involving moral turpitude, dishonesty, fraud, deceit, or corruption, whether the act is committed in the course of relations as a licensee or otherwise, and whether the act is a felony or misdemeanor or not.

1

2 (h) The administering to oneself, of any controlled substance, or the use of any dangerous
3 drug or of alcoholic beverages to the extent or in a manner as to be dangerous or injurious to
4 oneself, to a person holding a license under this chapter, or to any other person or to the public, or
5 to the extent that the use impairs the ability of the person to conduct with safety to the public the
6 practice authorized by the license.

7

8 (l) The conviction of a crime substantially related to the qualifications, functions, and duties
9 of a licensee under this chapter.... In all other cases, the record of conviction shall be conclusive
10 evidence only of the fact that the conviction occurred. The board may inquire into the
11 circumstances surrounding the commission of the crime, in order to fix the degree of discipline
12 or, in the case of a conviction not involving controlled substances or dangerous drugs, to
13 determine if the conviction is of an offense substantially related to the qualifications, functions,
14 and duties of a licensee under this chapter. A plea or verdict of guilty or a conviction following a
15 plea of nolo contendere is deemed to be a conviction within the meaning of this provision...

16

17 (p) Actions or conduct that would have warranted denial of a license.

18 7. Section 480 of the Code states, in pertinent part:

19 (a) A board may deny a license regulated by this code on the grounds that the applicant has
20 one of the following:

21 (1) Been convicted of a crime...

22 (2) Done any act involving dishonesty, fraud, or deceit with the intent to
23 substantially benefit himself or herself or another, or substantially injure another.

1 8. Section 482 of the Code states:

2 Each board under the provisions of this code shall develop criteria to evaluate the
3 rehabilitation of a person when:

4 (a) Considering the denial of a license by the board under Section 480; or

5 (b) Considering suspension or revocation of a license under Section 490.

6 Each board shall take into account all competent evidence of rehabilitation furnished by the
7 applicant or licensee.

8 9. Section 490 of the Code provides, in pertinent part, that a board may suspend or
9 revoke a license on the ground that the licensee has been convicted of a crime substantially
10 related to the qualifications, functions, or duties of the business or profession for which the
11 license was issued.

12 10. Section 493 of the Code states:

13 Notwithstanding any other provision of law, in a proceeding conducted by a board within
14 the department pursuant to law to deny an application for a license or to suspend or revoke a
15 license or otherwise take disciplinary action against a person who holds a license, upon the
16 ground that the applicant or the licensee has been convicted of a crime substantially related to the
17 qualifications, functions, and duties of the licensee in question, the record of conviction of the
18 crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact,
19 and the board may inquire into the circumstances surrounding the commission of the crime in
20 order to fix the degree of discipline or to determine if the conviction is substantially related to the
21 qualifications, functions, and duties of the licensee in question.

22 As used in this section, "license" includes "certificate," "permit," "authority," and
23 "registration."

24 11. Section 4313 of the Code states:

25 In determining whether to grant an application for licensure or whether to discipline or
26 reinstate a license, the board shall give consideration to evidence of rehabilitation. However,
27 public protection shall take priority over rehabilitation and, where evidence of rehabilitation and
28 public protection are in conflict, public protection shall take precedence.

1 **REGULATIONS**

2 12. California Code of Regulations, title 16, section 1770, states:

3 For the purpose of denial, suspension, or revocation of a personal or facility license
4 pursuant to Division 1.5 (commencing with Section 475) of the Business and Professions Code, a
5 crime or act shall be considered substantially related to the qualifications, functions or duties of a
6 licensee or registrant if to a substantial degree it evidences present or potential unfitness of a
7 licensee or registrant to perform the functions authorized by his license or registration in a manner
8 consistent with the public health, safety, or welfare.

9 13. California Code of Regulations, title 16, section 1769(b) states:

10 When considering the suspension or revocation of a facility or personal license on the
11 ground that the licensee or the registrant has been convicted of a crime, the board in evaluating
12 the rehabilitation of such person and her present eligibility for a license will consider the
13 following:

14 (1) The nature and severity of the act(s) or offense(s).

15 (2) Total criminal record.

16 (3) Time that has elapsed since the commission of the act(s) or offense(s).

17 (4) Whether the licensee has complied with all terms of parole, probation, restitution, or
18 any other sanctions lawfully imposed against the licensee.

19 (5) Evidence, if any, of rehabilitation submitted by the licensee.

20 **COST RECOVERY**

21 14. Section 125.3 of the Code provides, in pertinent part, that the Board may request the
22 administrative law judge to direct a licentiate found to have committed a violation or violations of
23 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
24 enforcement of the case.

1 28. On or about November 13, 2009, Officer "L" responded to the scene of a single
2 vehicle rollover traffic accident. The accident occurred in front of a high school, approximately
3 four minutes before school ended for the day. Respondent's vehicle knocked down two trees,
4 broke a water pipe and cover, grazed a pole, and came to rest on the sidewalk in front of the
5 school. After contact, Respondent was identified as the driver of the vehicle in question.
6 Respondent stated to Officer L that Respondent had "sneezed" and that another vehicle "cut him
7 off." Officer L noted that Respondent spoke slowly and appeared drowsy. Officer L also noted
8 that Respondent had a tube stuck in his arm that was attached to a black fanny pack. Respondent
9 stated that the fanny pack contained liquid antibiotics (Cefazolin) for an infection in his finger.
10 Respondent later admitted to Officer L that he was also taking pain medication for the infection in
11 his finger. Respondent was transported to the Medical Center for treatment of injuries sustained
